

My visit to Thinktank

thinktank
Birmingham science museum

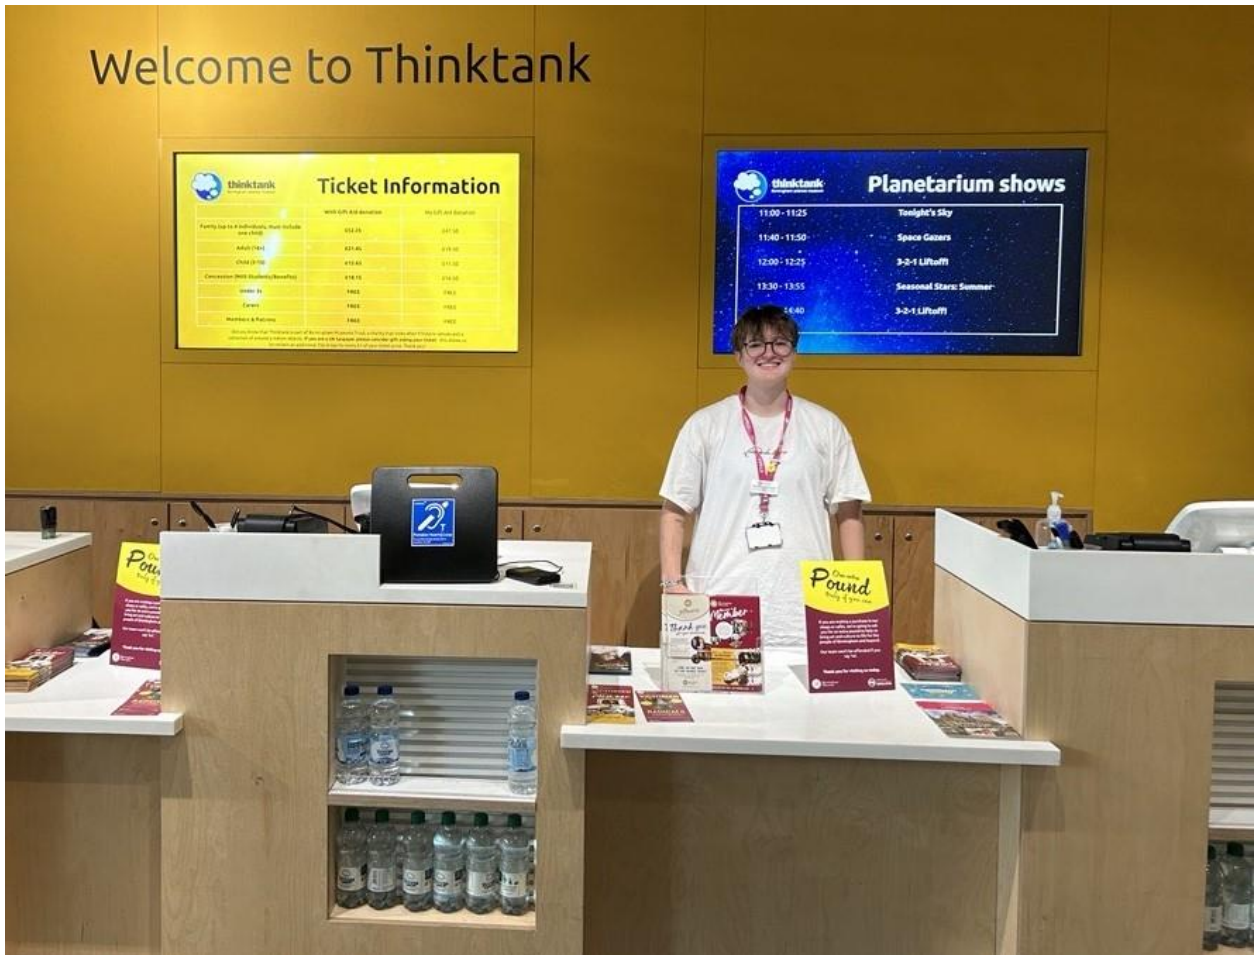

I am going to visit Thinktank.

Thinktank is a science museum.

These are photos of the outside of the building where Thinktank is.

Welcome to Thinktank

This is the Ticket Desk.

I will walk past this when I come in.

There will always be staff here with Pink Lanyards if I need them.

There are people that will help me when I am in the museum. These people are called Visitor Experience Assistants.

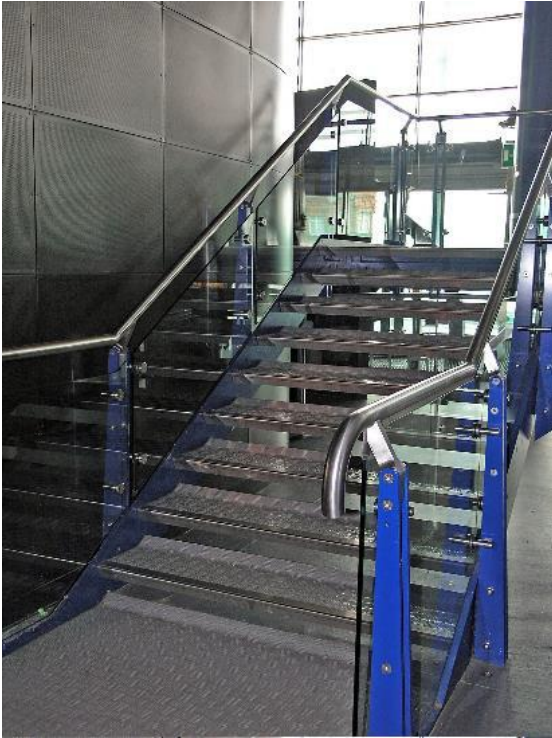

They wear Pink Lanyards.

If I have a question when I am at Thinktank I can talk to a Visitor Experience Assistant. It is fine to talk to them.

At Thinktank there are lockers in Minibrium on Level 3.

If I want, I can leave my bag and coat here, they will be safe.

Thinktank has 4 floors. I might not visit them all but that is fine. The different parts of Thinktank are called galleries.

Usually, I will move between floors using stairs or the lifts.

There are toilets on every floor of Thinktank.

If I need the toilet, I can ask my adult, or a Visitor Experience Assistant and show me where they are.

Thinktank is a busy place. There might be lots of other children at Thinktank when I visit. It might be very noisy when I visit.

If there is too much noise, I can tell the adult I came with or a Visitor Experience Assistant.

This is a photo of the quiet room. I might come in here if it is too noisy in the galleries, but I don't have to.

I must not leave the area where the people I came with are. This is so adults know where I am, and I am safe.

If I don't know where my adult is I can ask a Visitor Experience Assistant and they will help me.

This is a photo of the entrance to the Science Garden. I might visit this area while I am at Thinktank. It is outside the museum.

The Science Garden is about how machines work.

In the Science Garden there are lots of things to play on.

The Past is about machines and transport. I might see a plane, or a train, or a steam engine.

I might see some old machines that were used to make power in factories.

There are some things I must not touch on Level 0. If I don't know what I can or can't touch, I can ask an adult or a Visitor Experience Assistant.

I won't get in trouble if I make a mistake, but I must try and remember to ask.

MiniBrum is play city. I can play with everything in this gallery but if I don't want to play with something it is OK just to look.

Maybe I will try on some dressing up clothes, build a house or play in the café!

This is a photo of a gallery called Futures. I might visit this gallery when I am at Thinktank. It is on Level 3.

This gallery is sometimes a bit dark. If I don't like it, I can tell my adult, or a Visitor Experience Assistant and they will take me somewhere else.

I might visit the Planetarium at Thinktank.

This is a big room with the stars on the ceiling.

It can get a bit dark in here. If I don't like it, I can tell the adult I came with or the person running the show.

During my visit I might have lunch.

I might sit in the café or the packed lunch area.

If it is too noisy for me, I can tell my adult and a Visitor Experience Assistant will find me a quiet place to eat.
